

## **Boer Kamp X Stem Fest-A Day of Innovation, Creativity and Exploration**

The Annual Boer Kamp X STEM fest a vibrant celebration of Science, Technology, Engineering and, Mathematics was organized by the Student Council of Burn Hall School on 18<sup>th</sup> September, 2025 guided by the expertise of the school management. The event's primary objective was to engage and inspire the young minds of six reputed schools of the valley and spark curiosity and critical thinking. The festival was a dynamic and hands -on experience with a variety of activities designed to appeal students from classes VI to XII. The key highlights of the event included the Treasure Hunt, The Makers' Summit (Tower Making, Model Making, Digital Art), Debate, Neuro -Sparks Quiz, Code Quest, Cerebral Combat: The Olympiad of Champions, Visionara: Frame the Future and PhyChem -X. The event provided a platform for the students to showcase their creativity, critical thinking and collaborative skills on a large scale. The level of engagement from the participants was exceptionally high. Their carefully curated activities transformed the event from a passive viewing experience into an immersive and memorable one.

Our school demonstrated its commitment to academic excellence and innovation with an outstanding performance at the fest. The school's participation was marked by a high level of student engagement and exceptional achievements across multiple competition categories. A total of twenty-seven students participated from our school fielding teams in various disciplines. They demonstrated remarkable teamwork and problem -solving abilities. They were observed working together seamlessly, sharing ideas and supporting each other through every challenge. Our students secured the first position in the Annual Fr. J. BoerKamp Inter-School Debate and won a cash prize of five thousand, First - Runner Up in Neuro Sparks Quiz Competition, First Runner-Up in Cerebral Combat: The Olympiad junior category, First Runner-Up in Cerebral Combat: The Olympiad senior category and First Runner Up in Digital Art Competition.

The active participation of our school in the STEM Fest was a significant milestone showing our school's commitment to nurturing the next generation of innovators. It served as a powerful motivator for the students inspiring them to explore their interests in science and technology.
