### HEALTH EDUCATION:

**Q. Observe what happens in the hand-washing experiment when:**

1. You touch the pepper mixed in water with your finger.
2. You touch it again with soap on your finger.

### ART:

Create a miniature world using small objects e.g., miniature furniture, doll houses, animals or scenery using air dry clay.

### Instructions:

- Utilize cursive book for handwriting improvement (one page daily)
- Use scrapbook and loose sheets with proper Name/class/roll no /subject for winter assignment.
- Different subjects to be stapled separately and put in a single file.
- All the work should be done by the children themselves. They may take help from their parents only when needed.
